

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF SYMSONIA WATER)	
AND SEWER DISTRICT FOR RATE)	CASE NO.
ADJUSTMENT PURSUANT TO 807 KAR)	2017-00371
5:076)	

ORDER

On January 30, 2018, the Commission issued an Order directing Symsonia Water and Sewer District (“Symsonia”) to publish a one-time customer notice of its amended rate increase. Having reviewed the Order, the Commission finds that the notice in the Appendix includes an erroneous date and an incorrect reference to a three-year rate phase-in. The Commission, on its own motion, finds that the Appendix attached to this Order should replace the Appendix attached to the January 30, 2018 Order.

IT IS THEREFORE ORDERED, nunc pro tunc, that:

1. The Appendix to the January 30, 2018 Order is replaced with the Appendix attached to this Order.
2. All other provisions of the Commission's January 30, 2018 Order not in conflict with this Order shall remain in full force and effect.

By the Commission

ATTEST:

Executive Director

Case No. 2017-00371

APPENDIX

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
COMMISSION IN CASE NO. 2017-00371 DATED **FEB 22 2018**

NOTICE

On September 7, 2017, the Kentucky Public Service Commission ("PSC") accepted for filing Symsonia County Water District's ("Symsonia") application requesting to increase its revenue from sewer service by \$40,397, or 43.6 percent. After performing a review of Symsonia's application and financial records, the PSC Staff recommended that Symsonia be granted an increase in sewer service revenues of \$41,308, or approximately 42.5 percent. Pursuant to the PSC's Order of October 10, 2017, in Case No. 2017-00371, Symsonia requested that the PSC approve the PSC Staff recommended revenue requirement.

Current Sewer Rates				
First	12,000	\$	28.21	Minimum Bill
Over	12,000	\$	2.35	Rate per 1,000 Gallons

Amended Sewer Rates				
First	2,000	\$	33.72	Minimum Bill
Over	2,000	\$	4.76	Rate per 1,000 Gallons

The amended sewer rates Symsonia requests would increase the monthly bill of a typical residential sewer customer using 4,000 gallons of water per month by \$15.03, from \$28.21 to \$43.24, or approximately 53.28 percent.

This filing may be examined at the offices of Symsonia located at 11105 State Route 131, Symsonia, Kentucky.

This filing may also be examined at the offices of the Public Service Commission located at 211 Sower Boulevard in Frankfort, Kentucky, Monday - Friday from 8:00 am - 4:30 pm or on the PSC website at <http://Upsc.ky.gov>.

A copy of the PSC Staff report can be found at the following address:

Any person may submit comments on the proposed request no later than February 22, 2018. Comments shall be in writing and shall be submitted to the Executive Director, Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky, 40602. Comments may also be submitted by electronic mail to psc.info@ky.gov. If the Commission does not receive any request for intervention or hearing in this matter by February 22, 2018, the Commission will proceed to render a decision in the matter.
